ARMA Calgary Chapter

Vice President's Annual Report

By Barbara Bellamy

July 1, 2008 to June 30, 2009

My term as Vice President on this fantastic Chapter has been a short one. I was away sick for the majority of the year. Here are the highlights of my term:

- Helped to create a Strategic Plan for this past years Board.
- Applied to the Provincial Government for a Gaming License to hold 50/50 draws in support of the ARMA International Education Fund. The request however was declined.
- Helped to balance our 2008/2009 Budget for the Chapter.
- Tried to fill the President's shoes for the month of October.
